

J. D. BIRLA INSTITUTE

(Affiliated to Jadavpur University)
Accredited with 'A' grade by NAAC (in 2010)
**DEPARTMENTS OF SCIENCE, COMMERCE &
MANAGEMENT**

25th June 2021

NOTICE

With our continued endeavour to provide possible opportunities to students with respect to experiential learning, we are happy to announce that JDBI has associated with Internshala, an UGC approved internship and online training platform.

Virtual Internship under scheme is extended to all **3rd year B.Com students only** as unlike the final year Science and Management students, internship is not a mandatory part of their curriculum. We wish to encourage all students to take up virtual internships for necessary exposure.

In this context we shall share names, email addresses & phone numbers of all B.Com final year students with Internshala so that individual accounts can be created for every student **for free**. Students can then apply for a suitable internship. This will also keep students informed about every internship opportunity available with Internshala. Once the individual accounts are created, students can begin their journey of finding meaningful virtual internships through Internshala.

Students are also requested to keep their Placement officer, Mrs. Priya Dwivedi informed about their plans.

The facility may be extended to other students in due course.

Wishing all students the very best for their future.

Prof. Deepali Singhee
Principal
