

**J.D.BIRLA INSTITUTE**  
 Department of Science, Commerce & Management  
**STUDENT'S SATISFACTION SURVEY (INSTITUTIONAL FEEDBACK)**  
 Academic Session: 2019-2020

**Total Number of Students: 562**  
**Student who participated in the Survey: 485**

**Section A: College Infrastructure**

| S. No. | Parameters                                                       | Average Weighted Rank*<br>(of Responses) |
|--------|------------------------------------------------------------------|------------------------------------------|
| 1      | Infrastructural facilities provided by the college               | 8                                        |
| 2      | General maintenance of the college                               | 8                                        |
| 3      | Measures taken to ensure security of all students in the college | 8                                        |
| 4      | Whether the laboratories/studios are adequately equipped         | 8                                        |

\*Calculated on a 10-scale with number of responses in individual parameters as weights against rankings in the scale of 1-10.

**Section B: Courses offered & Teaching- Learning**

| S.No. | Parameters                                                                                             | Average Weighted Rank*<br>(of Responses) |
|-------|--------------------------------------------------------------------------------------------------------|------------------------------------------|
| 1     | Course content taught in each programme                                                                | 8                                        |
| 2     | Applicability/relevance of the course to real life situations                                          | 7                                        |
| 3     | Measures taken by the college to provide industry-institute interface                                  | 8                                        |
| 4     | Pedagogy used by faculty at the college (use of teaching aids or other innovative methods of teaching) | 8                                        |
| 5     | Proportionality of teacher-student ratio                                                               | 7                                        |
| 6     | Teacher-student communicability                                                                        | 7                                        |
| 7     | Overall quality of teachers                                                                            | 7                                        |

\*Calculated on a 10-scale with number of responses in individual parameters as weights against rankings in the scale of 1-10.

**Section C: Miscellaneous**

| S. No. | Parameters                                                                                 | Percentage of the Responses                                                |
|--------|--------------------------------------------------------------------------------------------|----------------------------------------------------------------------------|
| 1      | At the end of the program of study you came out                                            | Better Informed & Skilled: 66<br>Equally Informed: 30<br>Less Informed: 04 |
| 2      | When you meet students who have taken a similar programme at other Institution do you feel | Better Informed & Skilled: 50<br>Equally Informed: 44<br>Less Informed: 06 |
| 3      | Has your time at the Institution been intellectually enriching                             | Yes: 55<br>Marginally: 37<br>No: 08                                        |
| 4      | Do you think the course has empowered you for good job opportunities                       | Yes: 71<br>Marginally: 16<br>No: 13                                        |
| 5      | After leaving the Institution how are you talking about it                                 | Proudly: 61<br>Despairingly: 23<br>Indifferently: 16                       |
