NOTICE

To,
All parents/guardians,

The all-round and recognized success of our institution, demonstrated by the performance and merit of our students, has always been enriched through the constructive role of parents, teachers and well-wishers. Even in the pandemic situation and the given mandatory restrictions on physical interface during the previous academic year (2020-2021), the Institute has upheld its delivery of quality education with uninterrupted and sincere zeal.

However, as a responsible institution, we cannot lose sight of realities and sensitive need to maintain and uphold both infrastructure and faculty excellence in the long run. Apart from establishment costs and statutory financial obligations, salaries of teachers and other staff as per recommendations of the Sixth pay Commission (as adopted by the Government of West Bengal) have to be met. Our teachers and support staff after all form the backbone of the institution and have not been denied such escalations, which have been adopted by the Government. Parents will kindly appreciate that we have to cover standing costs and mitigate inflation driven cost escalations only through our fees. Sustainable economics cannot be compromised.

It has thus become inescapable to revisit the fee structure, taking into account the increased running costs, salaries and other relevant factors affecting the Institute. Consequently, the proposed fees for the current academic session 2021-2022 (only for Semester II/IV/VI) will stand at a nominal increase of approximately 8% over the corresponding fees of the academic session 2021-2022 (Semester I/III/V).

Fees of 2nd & 3rd year **B.Com** and 2nd year **M.Com** for Semester 4th /6th (Session 2021 – 2022) have to be deposited in **YES Bank** (7A, Russel Street, Kolkata-700 071) latest by **31st January 2022**.
