

15<sup>th</sup> March 2022

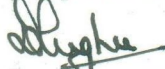

### NOTICE

We have received a number of communications from the current 3<sup>rd</sup> year B.Com. (Hons) students regarding mandated Internship during 2<sup>nd</sup> May 2022 to 11<sup>th</sup> June 2022. Students have cited that they have their various competitive examinations during the afore-mentioned period. A few have their Articleship going on during that time.

We would like to remind all concerned that the B.Com (Hons) programme under Jadavpur University consists of an audit paper 'Internship Training' which is mandatory and students will have to complete it in order to qualify for the final end-semester examination.

If the students do press for a postponement of the mandatory Internship Training, then the final end-semester examination and the subsequent result publication will be inordinately delayed.

However, for students having competitive examinations in this period, the college may write to the internship providers to allow the students to take special leaves on the examination dates. This will only be done if the students apply individually to us giving proof of their external / competitive examinations. Under no circumstances, the Internship Training can be postponed or done away with. Self-internship is also not an option.
