About the Event (in 150 words): India celebrates National Youth Day, or Rashtriya Yuva Diwas, on 12th January, in the commemoration of the birth anniversary of Swami Vivekananda, who was one of the most prominent philosophers, monks, and thinkers of India. This day was first declared as National Youth Day in 1984 by the Government of India to pay tribute and honour the teachings of Vivekananda. Since then, Rashtriya Yuva Diwas is celebrated all across the country. Born on January 12, 1863, in Kolkata, Vivekananda serves as an inspiration to lakhs of youth in India and across the world. He was a strong supporter of Hindu ideology, education and empowerment. Being an ardent disciple of Sri Ramakrishna Paramahansa, Swamiji contributed to raising the awareness of the youth regarding the motherland, unity, religion, life, duty, and peace. NSS wing of Department of Management celebrated his birth anniversary with an online quiz competition.

Objective/s (intended outcomes in 100 words): The main objective of the event was to generate awareness amongst the students about the life, philosophy and ideologies of Swamiji. Further, the teachings of Swamiji are impactful even to the millennials. Swamiji was secular in his philosophy of religion. This finds paramount importance in the current Indian social scenario. Syncing secularism with eternal energy of the youths, the program intended to distribute the ideas and ideals of the Swami Vivekananda among the BBA students so that they are motivated to believe in secularism and work towards societal development, eradicating any discrimination.
