JD BIRLA INSTITUTE

The Institute's logo represents a well-known shloka from the Brihadarnyaka Upanishad (Brihadaranyaka Upanishad – I.iii.28).

“Asato ma sadgamaya
tamaso ma jyotirgamaya
mrtyorama amrtam gamaya”

Lead us from all that is untrue and unreal to what is real and true.
Lead us from darkness to light, ignorance to knowledge.
Lead us from death to immortality.

J.D. Birla Institute is a private unaided College affiliated with Jadavpur University, Kolkata since 1963. It is conveniently located in the heart of the city at 11 Lower Rawdon Street, Kolkata-700020 (Main Campus) and 1 Moira Street, Kolkata-700017 (Management Campus)

The late Sushila Devi Birla, wife of eminent industrialist late L. N. Birla, established a college for girls in her mother-in-law's name in June 1962. The College offers 6 undergraduate courses and 4 post-graduate courses at the two campuses and has over 1700 students.

Over five decades, the Institute has grown with the needs and demands of the changing times.

Sponsoring TRUST

As a private unaided educational institute, the Vidya Mandir Society an educational trust managed by the S.K. Birla Group sponsors the college.

Our Vision

To establish ourselves as a leading college providing education of a higher standard with integrity, consistency and due diligence.

Our Mission

To prepare the future generation for academic excellence and practical skill-set needed to face global challenges and lead the country into the world of the future.

PRINCIPAL

Professor Deepali Singhee, Ph.D

Principal, J.D. Birla Institute
(Departments of Science, Commerce & Management)

J.D. Birla Institute is an Institute of educational distinction that combines excellence with innovation. The Institute with all its departments is affiliated to the highly acclaimed Jadavpur University, a world renowned Center of Excellence.

At JDBI we offer students with wide range of courses that gives students a solid academic foundation and at the same time enables them to realize their individual dreams in field of applied Sciences or Commerce or Business Administration.

Our commitment towards excellence in the field of education is easily achieved through our impressive infrastructure, student-focus initiatives and facilities that edge on overall and holistic growth of our pupils. Conducive teaching and learning environment is provided through a well secured, neat and clean campus, air-conditioned lecture rooms equipped with LCD projectors, state-of-the-art laboratories and required support systems. Earnest endeavor by well qualified and dedicated teaching faculty at the Institute prepares students to face the challenging

global environment. Teaching is based on lectures, seminars and project work that provides practical hands-on experiences and prepares students to face the challenges of a rapidly-changing world. The library of the Institute is automated and has an impressive collection of learning resources including books, journals and reference materials for all the graduate and post-graduate courses. Every year several curricular and co-curricular events are organized to aptly broaden the learning experience of our students. Leadership skills in students are sharpened through various clubs that they lead.

All the undergraduate courses except BBA are honours programmes and are divided into six semesters. Choice for subjects is offered in the final year through the CBCS approach as mandated by the UGC. Balance between theoretical and real life situations is achieved through our integrated approach in teaching and learning that includes live case studies, experiential activities, classroom discussions, term paper and seminars. Students are also provided with industry exposure through various projects, industrial visit and interaction with members from the industry.

FACULTY

J.D. Birla Institute has professionally qualified, experienced and dedicated faculty drawn from various educational fields, who contribute to the Institute's academic excellence.

Students get ample opportunities to interact with faculty members who engage with them intellectually, both within and outside the classroom. Our pedagogy encourages constant interface between students and faculty via seminars, discussion, term-papers, one-on-one mentoring, field trips, industry visits, excursions and other co-curricular and extra-curricular activities.

Student's opinion on faculty is valuable to the Institute's quest for all-round excellence and a formal Students' Feedback process is a part of the faculty appraisal audit conducted at the end of each semester by an external agency to ensure objective results.

[What our former students have to say.....]

Rohini Chatterjee

Teacher Trainee Associate,
IIM Calcutta
(Batch: 2015-2018)

After spending five years at the Institute completing my Graduation and Post-Graduation Degree Programs with a focus in Accounting and Finance, I can confidently state that JDBI is one of the best institutions in the city and country. I had a fantastic learning experience thanks to world-class infrastructure. Presentations, projects, group discussions, seminars, and workshops, all of which were conducted with the ever-increasing technical considerations in mind, gradually instilled in me the traits that one needs to face the real world.

Shreya Dalmia

Associate
PwC
(Batch: 2018-2021)

Working for Big4 had always been a dream of mine, and JDBI assisted me in realising that desire. It was only possible due of the efforts of our institution's faculty and placement cell, who provided regular support and guidance, and I was encouraged to uncover a voice I didn't realise I had through numerous workshops, events, and fests hosted by our college. That voice has played a critical role in my career, as it has aided in the development of my communication skills and confidence, both of which have been quite beneficial to me.

Astha Agarwal

(Batch: 2015-2018)

My time at JDBI has given me the courage to speak in front of a large audience. During our graduation days, we were urged to attend personal development classes. When a pandemic struck the world in the year 2020, our teachers took on the challenge of transitioning from the age-old offline way of teaching to a completely online mode. The institute's path has been full with learning opportunities and has prepared us for various parts of life.

Nidhi Bohra

Associate
PwC
(Batch: 2017-2020)

Everyone aspires to attend their desired college, and JDBI provided me with numerous opportunities. JDBI isn't just a college; it's a world unto itself that has moulded me in indestructible ways. My transition from student to Student President has been incredible, and I am appreciative for everything the college has given me. I'll be a proud JDBian for the rest of my life.

Tanisha Dhanuka

Accounts Manager,
Galaxy Computech Pvt Ltd.
(Batch: 2017-2020)

Everyone aspires to attend their desired college, and JDBI provided me with numerous opportunities. JDBI isn't just a college; it's a world unto itself that has moulded me in indestructible ways. My transition from student to Student President has been incredible, and I am appreciative for everything the college has given me. I'll be a proud JDBian for the rest of my life!

Shrishty Agarwal

(Batch: 2017-2020)

JDBI is responsible for my development and growth. When you move to a new location and live far away from your parents to attend college, you have a lot of expectations, and JDBI helped me meet them all. It was a complete journey from working as a team member in the fests to being the leader of a committee in a fest. JDBI taught me to accept and manage my responsibilities. "Once a JDBian, always a JDBian," as the saying goes.
