## NOTICE

The end semester University Examination for the even semesters (Session 2021-2022) is starting from 21<sup>st</sup> June 2022. The library books issued to the students must be returned to the LRC before the start of the examination.

However, we are aware that the students are currently not coming to the campus and preparing for examinations at home.

Keeping the above in mind, we are allowing students to return their books on the first day of their examination. They can do so after the examination for the day is over by visiting the LRC.

The last day for submission of books for all students irrespective of departments will stand as **27<sup>th</sup> June 2022.**

This special provision is being extended to all students so that they can use the books till the beginning of the examination and they are also not inconvenienced by coming to the college during examination preparation time.
