JD BIRLA INSTITUTE

The Institute's logo represents a well-known shloka from the Brihadarnyaka Upanishad (Brihadarnyaka Upanishad – I.iii.28).

“Asato ma sadgamaya
tamaso ma jyotirgamaya
mrttyorma amrtam gamaya”

Lead us from all that is untrue and unreal to what is real and true.
Lead us from darkness to light, ignorance to knowledge.
Lead us from death to immortality.

59 years of
**Educational
Excellence
&
Empowerment
of Women**

J.D. Birla Institute is a private unaided College affiliated with Jadavpur University, Kolkata since 1963. It is conveniently located in the heart of the city at 11 Lower Rawdon Street, Kolkata-700020 (Main Campus) and 1 Moira Street, Kolkata-700017 (Management Campus)

The late Sushila Devi Birla, wife of eminent industrialist late L. N. Birla, established a college for girls in her mother-in-law's name in June 1962. The College offers 6 undergraduate courses and 4 post-graduate courses at the two campuses and has over 1700 students.

Over five decades, the Institute has grown with the needs and demands of the changing times.

Sponsoring TRUST

As a private unaided educational institute, the Vidya Mandir Society an educational trust managed by the S.K. Birla Group sponsors the college.

Mr. S. K. Birla
Chairman,
Vidya Mandir Society

Mrs. Sumangala Birla
President,
Governing Body, JDBI

Maj Gen V N Chaturvedi, Retd.
Secretary General,
Vidya Mandir Society

Our Vision

To establish ourselves as a leading college providing education of a higher standard with integrity, consistency and due diligence.

Our Mission

To prepare the future generation for academic excellence and practical skill-set needed to face global challenges and lead the country into the world of the future.

PRINCIPAL

Professor Deepali Singhee, Ph.D

Principal, J.D. Birla Institute
(Departments of Science, Commerce & Management)

J.D. Birla Institute is an Institute of educational distinction that combines excellence with innovation. The Institute with all its departments is affiliated to the highly acclaimed Jadavpur University, a world renowned Center of Excellence.

At JDBI we offer students with wide range of courses that gives students a solid academic foundation and at the same time enables them to realize their individual dreams in field of applied Sciences or Commerce or Business Administration.

Our commitment towards excellence in the field of education is easily achieved through our impressive infrastructure, student-focus initiatives and facilities that edge on overall and holistic growth of our pupils. Conducive teaching and learning environment is provided through a well secured, neat and clean campus, air-conditioned lecture rooms equipped with LCD projectors, state-of-the-art laboratories and required support systems. Earnest endeavor by well qualified and dedicated teaching faculty at the Institute prepares students to face the challenging

global environment. Teaching is based on lectures, seminars and project work that provides practical hands-on experiences and prepares students to face the challenges of a rapidly-changing world. The library of the Institute is automated and has an impressive collection of learning resources including books, journals and reference materials for all the graduate and post-graduate courses. Every year several curricular and co-curricular events are organized to aptly broaden the learning experience of our students. Leadership skills in students are sharpened through various clubs that they lead.

All the undergraduate courses except BBA are honours programmes and are divided into six semesters. Choice for subjects is offered in the final year through the CBCS approach as mandated by the UGC. Balance between theoretical and real life situations is achieved through our integrated approach in teaching and learning that includes live case studies, experiential activities, classroom discussions, term paper and seminars. Students are also provided with industry exposure through various projects, industrial visit and interaction with members from the industry.

AWARDS & RECOGNITION

JDBI ADVANTAGE

- Courses ranked high on all India basis
- Semester wise curriculum with choice based credits
- Modern WiFi campus
- State of the art laboratories
- Qualified and fulltime faculty
- Special lectures by top ranking experts
- Host of co and extracurricular activities
- Opportunities for internship & networking
- Placement assistance
- Merit base scholarships & freships
- Short term certificate course under MOU with IIT-Mumbai, National Stock Exchange, ICFAI and Academy of Pastry Arts

PLACEMENT

The Placement cell headed by a full-time Placement officer provides assistance to students for placement opportunities and counseling. Such is the repute of student's excellence that various companies approach the Institute from time to time for employment and students are also recruited while interning at several organizations.

B.SC (HONS.) IN TEXTILE SCIENCE, CLOTHING & FASHION STUDIES

Overview

B.Sc course in TCFS is based on applied sciences and is geared to meet the emerging needs and challenges of contemporary society as they respond well to the evolving global standards. The present curricula and syllabi have been revised and updated in accordance with UGC (University Grant Commission) guidelines. Mandatory six week internship training in the final year of study is the USP of these courses. The course offers each student with ample opportunities to assess their abilities, aptitudes and interest and introduces them to a world of jobs and careers.

Course Highlights

The course shall include

- **Textile Science & Technology:** Textile fibers & their properties and textile processing dyeing, printing & finishing.
- **History of Textiles & Costumes:** History of world textiles with special reference to Indian textiles and costumes.
- **Pattern Making & Sewing:** Principles of pattern making for child's wear, women's wear and men's wear.
- **Garment Manufacture:** Sequential processes of laying, marking, cutting, stitching, checking, finishing and pressing in GMT.
- **Fashion Studies:** Fashion forecast.
- **Design Studies:** CAD in pattern making using Optitex and textile design through Ned graphics softwares.
- **Marketing & Entrepreneurship:** Fashion merchandising, marketing and retailing of fashion; visual merchandising; consumer behavior, and entrepreneurship in the textile and garment sector.
- **Portfolio & Fashion Show:** Production of a garment-line through fashion show and documentation.
- **Product Design & Development:** Documentation of traditional craft and adaptation of traditional designs to contemporary use
- The course shall be supplemented by practical and on-job training through industry visits and workshops
- Self learning and independent working through seminars, term papers and projects
- Exposure through educational excursions, fashion shows, exhibitions and competitions

The final degree will be awarded by Jadavpur University

Student will be evaluated on each subject / paper (theory/practical) under both:

- a) Continuous Internal Evaluation (CIE): 40% weightage
CIE includes written class tests, assignments, seminars, tutorials and/or laboratory assignments.
- b) End-semester Examination (ESE): 60% weightage
Six ESE will be held, one at the end of each semester.

Course Duration:

15-17 weeks per semester with 20-26 classes of 1 hr duration per week.

Course Timings:

9:30 am to 4:00 pm, six days a week (1st and 3rd Saturdays are off days)

Class Size:

40-45 students

Career Options

- | | |
|--|---|
|  Merchandiser in Export House |  Business Development Officer |
|  Visual Merchandiser |  Supervisor in Textile Mill |
|  Brand Manager |  Supervisor in Garment Manufacturing Units |
|  Brand Development Officer |  e-Commerce Manager |
|  Garment Production Manager |  Fashion Designer |
|  Quality Control Manager |  Freelance Designer |
|  Product Development Manager |  Entrepreneur |

Eligibility

- Only female candidates having good knowledge of the English language are eligible for admission.
- The candidate must have passed, with at least 50% marks in the aggregate, the 10+2 examination from any recognized Board / Council recognized by Jadavpur University with four recognized subjects of which at least one must be English.
- Candidate may have to undertake mandatory bridge course/s.
- Foreign students may be admitted as per Jadavpur University norms.

Selection Process

Eligible candidates will be short-listed based on the following criteria:

Sl. No	Criteria	Weightage (%)
1.	Academic Performance (Marks obtained in the Class-XII examination)	80
	Subjects like EVS, Multimedia, Music, Dance, Art, Physical Education and others vernacular subjects will not be considered	
	Marks will be awarded proportionally to the percentage of marks obtained	
2.	Science subjects in Class-XII with pass marks	5
3.	Mathematics in Class-XII with pass marks	5
4.	Formal training in performing or visual arts and /or sports and /or participation in the same at regional/state/national/international levels only	10
TOTAL		100

Admission Procedure

- Application for admission has to be made on the prescribed form available online against a payment of Rs. 1,500/- only through NET Banking.
- Short-listed candidates must pay fees within the time specified in the merit list otherwise admission is liable to be cancelled.
- Admission will be confirmed only after physical verification of all necessary documents by the college.

Fee

Fee Break-up

1.	Admission Fee	30,000	at the time of admission only
2.	Tuition Fee	45,600	per semester
3.	Laboratory Fee	18,900	per semester
4.	Examination Fee	3,300	per semester
5.	Social Charges	2,550	per semester
6.	Library Fee	7,500	per semester

FACULTY

J.D. Birla Institute has professionally qualified, experienced and dedicated faculty drawn from various educational fields, who contribute to the Institute's academic excellence.

Students get ample opportunities to interact with faculty members who engage with them intellectually, both within and outside the classroom. Our pedagogy encourages constant interface between students and faculty via seminars, discussion, term-papers, one-on-one mentoring, field trips, industry visits, excursions and other co-curricular and extra-curricular activities.

Student's opinion on faculty is valuable to the Institute's quest for all-round excellence and a formal Students' Feedback process is a part of the faculty appraisal audit conducted at the end of each semester by an external agency to ensure objective results.

- Wifi Support and card reader
- Original Windows 7 or Windows 8

[What our former students have to say.....]

Aanchal Barasia

Head Merchandiser,
Chase Lifestyle
(Batch: 2010-2013)

When I think back on my three years in the JDBI Textile Science, Clothing & Fashion Studies program, I realize that it not only made me a better person, but it also prepared me for my job in unexpected ways. I was challenged to discover technical skills I didn't realize I had through workshops, seminars, and industry trips alongside tremendously supportive students and faculty members who were nothing short of champions.

Twinkle Choudhary

Fashion & Graphic Designer,
Kishorilal Shyamsundar
(Batch: 2015-2018)

My three years in JDBI was a wonderful experience with an excellent exposure provided across the various platforms. The teachers are really encouraging and urge students to push boundaries in order to exceed expectations. I discovered that I could communicate, invent, and interact in ways that allowed me to develop good communication, presentation, creative flare, artistic talent, and exceptional attention to detail, eventually leading to a fulfilling job as a designer.

Shreeja Bhattacharya

Textile Designer,
Unicraft Textiles
(Batch: 2013-2016)

Being a part of the Department of Textile Science, Clothing and Fashion Studies' undergraduate and postgraduate programs, I can say that extensive hands-on training in our state-of-the-art, well-equipped labs, as well as connections with the industry through lectures, workshops, visits, and internships, has groomed me and made me who I am today.

Baisakhi Bhowmick

Garments Production Head,
Ventures, Gurgaon
(Batch: 2005-2008)

As a JD Birla Institute alumna, I received endless affection and instruction from my teachers, who pushed me to work hard in order to achieve success. The course provided an excellent introduction to several parts of textile science, apparel, pattern making, and design. The course's holistic approach was crucial in my professional development.

“

Sonal Malhotra

Product Development & Brand Manager,
House of Silvano, Kolkata
(Batch: 2009-2012)

The comprehensive B.Sc. degree links technical aspects with design and is offered by the Department of Textile Science, Clothing, and Fashion Studies. It was a beautiful moment of learning and enjoyment for me as a JDBI student. Teachers' dedication and commitment in skill development continue to inspire me to work toward my objective.

”

“

Sneha Singhal

Owner,
Mumble Jumble, Kolkata
(Batch: 2012-2015)

JDBI aims to develop each student holistically, whether through education, cultural awareness, or practical experience to the outside world, such as industrial training program and excursions. The atmosphere on campus is really pleasant, the overall experience is excellent, and the college continually encourages and motivates us to pursue our goals.

”

“

Pranjal Bothra

Merchandiser,
Shahi Exports, Bangalore
(Batch: 2010-2013)

It was a wonderful time of learning and enjoyment for me as a JDBI student. Through my degree, I was able to complete an internship at one of the city's premier export houses, which provided me with the necessary industry experience and confidence, allowing me to land a lucrative job as a Merchandiser at Shahi Exports.

”

“

Anjali Agarwal

Owner,
Label Anjali Agarwal
(Batch: 2010-2013)

My days at college remain unforgettable; in fact, they were the happiest and most fruitful of my life. We get to design a collection for real-life models and go through rigorous training for garment manufacture and the implementation of our graduating fashion show, among other things.
