

24th December 2022

NOTICE

Giving due consideration to the requests from some students, the Academic Council of the college approved and permitted in its meeting held on December 23, 2022 to allow students to complete the examination form fill-up even after the deadline had passed at.

Students may now fill out the application in person at the college campus on **December 26 and 27, 2022, between 10 AM and 3 PM**, if they have submitted their application for an extension of this date with good cause. No further extension shall be permitted for any reason.

Please note that the decision of the Academic Council will be final and binding. Applications not found appropriate, and those students who again fail to fill up their examination forms on the above mentioned dates shall be debarred from appearing in the ensuing end semester examinations.
