

J. D. BIRLA INSTITUTE

(Affiliated to Jadavpur University)
Accredited with 'A' grade by NAAC (in 2010)
DEPARTMENTS OF SCIENCE, COMMERCE & MANAGEMENT

5th December 2022

NOTICE

We are very happy to inform you that senior officials from **Deloitte USI** will visit our campus on **7th December 2022, Wednesday, at 1.30 pm** to address the **2nd Year B.Com (Hons.)** students about the **Graduate School Maverick** event Season 7.

Graduate School Maverick is Deloitte US-India Offices' initiative to connect with the future workforce and provide a platform to create an impact that matters. Alongside, the students get an opportunity to build their network, become future ready, get an exposure to "real life" projects, challenge oneself as you meet with the brightest minds and most importantly - be considered for an **internship** and/or **pre-placement interview**.

The GSM journey begins with a pre-launch campus connect event on the above date. The officials will explain the details about GSM and conduct some engagement activities. All 2nd year B.Com (Hons.) students must attend the event and not lose out on this golden opportunity to connect with the industry leaders from one of the Big 4 companies!

In order that the working day does not become too long and stressful for you, classes for that day will begin at 10.30 a.m. and will end with the GSM pre-launch event. The modified class time table for 7th December 2022 will be shared with you through the official whatsapp group.

Prof. Deepali Singhee, Ph.D
Principal
