NOTICE

This is for the attention of B.Com. (Hons.) students who are continuously writing to us for leave in order to appear in competitive examinations, especially CA. Though this has been explained to you all earlier, still we are receiving such letters from the students asking for leave.

We are once again emphasizing to everyone concerned that the college will **NOT** grant any leave for such examinations.

We also reiterate that only students who have informed the institution in advance about their CA enrollment will be allowed a maximum of 10% extra attendance beyond their total attendance (including time taken off for appearing in CA examination) at the conclusion of the semester.
